

# MINITURIONS ATHLETICS

## What is Miniturions?

Miniturions is our Wednesday after school athletic program for Archway Cicero students. The goal is to grow and enhance motor skill development in our students to prepare them for youth sports. This will be done via practicing normal everyday physical motor skills, applying them to sport specific individual drills and finally introducing them to team drills and competition over the course of a season. In the process we will teach the students to work together, build confidence and self-esteem in a fun and enjoyable environment.

## Who is running the Program?

The program is run by Cicero Prep Athletic Director, Billy Hunt. Coach Hunt will have an adult assistant to help supervise and monitor the overall program. The program will also feature Cicero Prep Scholar-Athletes as Coaches. These Coaches have been hand-picked by Coach Hunt for their ability of sport, leadership, and character qualities. All coaches must be in the 10<sup>th</sup> grade and above to coach our youth.
