### **Literature Consumables:**

Your child's class will utilize classic works of literature during the upcoming school year. At Great Hearts Academies, it has always been the tradition for students to develop a personal library of books that they mark in, keep and return to during their time at Great Hearts, and treasure for years to come. We call these books "Classics to Keep". Your child's class will utilize these classics during the upcoming school year. Parents and students are strongly encouraged to purchase these books for their own personal collections, so that they can mark them and keep them, allowing students to develop their own impressive personal library of classics over the course of their academic career with Great Hearts. For families who do not purchase the texts, their student will be given access to a copy of these books as part of their curriculum. Student should not mark in these books provided by Great Hearts and will be asked to return the books in good condition once their class has finished working with the book.

### **Textbook Consumables:**

Archway Cicero will be providing 1<sup>st</sup> thru 5<sup>th</sup> grade students with Singapore **Textbooks** again this year. This decreases the financial burden of cost for consumables. Singapore **Workbooks** are the only math consumables that need to be purchased. For kindergarten, the workbooks are listed as textbooks on the consumable list. Please see Singapore purchasing information in this packet to order the appropriate Singapore Workbooks for your student's grade level. There will not be an opportunity to purchase these books at the school.

### **Alternate vendors:**

Families may purchase books and other school supplies from whichever vendor they choose. We only ask that all books match the ISBN's listed on our website. This ensures that students can all follow along on the same page when reading and discussing in class.

### **Uniforms:**

Archway Cicero is proud to partner with Dennis Uniforms. See attached Uniform Policy.

We ask that families purchase all uniform items from Dennis Uniforms in order to ensure that the color and fit matches throughout our student body.

*If the cost of the uniform presents a financial hardship for your family, please contact us for assistance.*

## Uniform and Dress Code

ACA has a primary objective of developing a "community of learners," dedicated to the highest standards of academics and deportment. As such, a distinctive uniform is a unifying factor within our school community. It is also a visible signature of our school to the larger community, an indicator of our unity and of our pride of purpose. This is one of the most important functions of a uniform: it identifies its wearer as part of a distinctive group with a distinctive purpose. It is a reminder to its wearer of that purpose and of one's responsibility to that group.

The uniform is the basis of a dress code with a "professional," business-like standard. Our students should dress their best, look their best, and do their best. All clothing must be clean, neat, reasonably pressed, and in properly fitting condition. If a child is deemed to be wearing inappropriate attire, the parent will be notified, and a change of clothing may be required for attendance that day. If in doubt about the appropriateness of an article of clothing, check with the school office before purchasing. Good judgment exercised at home will be a learning activity for the child that will help to avoid embarrassment or wasted time at school. Decisions about the appropriateness of apparel may be referred to the Headmaster, whose judgment will be final. The Headmaster may make specific exceptions to the dress code, as demanded by particular religious customs.

If a student insists on rebelling by trying to beat the dress code, it will quickly become obvious to the faculty and Headmaster. Our desire is not to squash students' individuality, but to secure their commitment to a community of learners whose purpose, while at school, is not faddish coolness, or outlandishness, but scholarship and character development. We ask not only for the student's commitment to this concept, but for the parent's as well. The uniform and dress code of ACA support and reinforce our academic goals. The uniform assists us in staying focused on the true individuality offered by healthy dialogue and the development of the life of the mind for each student.

**Students must stay in uniform whenever they are on campus (including the parking lot) during a school day. This means arriving on campus fully in uniform and leaving campus fully in uniform (correct shoes, shirts tucked in, etc.). Students may only change out of uniform after school with teacher/coach permission to participate in an approved curricular or extracurricular activity that requires an immediate change in dress.**

## OFFICE AND STUDENT HOURS; CAMPUS ACCESS

The school office is open from 7:30 a.m. – 4:00 p.m. every full day that school is in session and will be closed during parts of July. The school phone number is (480) 424-1790. Messages may be left on voicemail any time the phone is busy, or staff is out of the office. Messages left after hours will be returned the next working day. Also, families may contact the administration via e-mail (please see the Faculty & Administration Directory on our website). The school's fax number is (480) 434-6614.

The administration asks that non-urgent calls to the school office be made between 8:30 a.m. and 11:00 a.m. and between 1:00 p.m. and 2:15 p.m., since other times during the school day are “high-traffic” periods. Messages for faculty can be left with the front office.

**School starts daily at 7:40 a.m.** For safety reasons, students should not arrive on campus earlier than 7:20 a.m. nor stay later than 3:00 p.m. (even on the playground) unless they are attending an organized, adult- supervised program associated with the school. Children are not to be left unattended, so parents/guardians are to stay with their children until the supervisor arrives. Students are allowed into the classroom at 7:20 a.m. Students should be on campus by 7:30 a.m. but an earlier arrival is encouraged, allowing time to unpack in the classroom and take their seats by 7:35 a.m.

**School ends at 2:40 p.m.** Students who are not picked up by 3:00 p.m. will be taken to the school office. If you arrive after dismissal, please park and walk in to get your child. Repeatedly picking up students late from school is inconsiderate of those who are waiting. If a student has not been picked up an hour after the conclusion of dismissal and the parents/guardians cannot be reached, the school will need to call the nearest police precinct to make arrangements for the child.

Please note that, outside of scheduled school activities, students and parents/guardians should not enter the campus after hours, during holidays and breaks, or on weekends. For example, the school's outdoor athletic and playground facilities are not open to general student or family use except in the context of a school activity or event. Unauthorized presence of this kind may constitute trespassing.

The program is run by volunteers and 100% of the profits go back to the Parent Service Organization to support Archway Cicero community events, services and teachers. The Lunch Program consists of pre-ordered, catered food delivered by food vendors chosen by the Lunch Committee based on student demand, vendor reliability and reasonable pricing. We rely on volunteers during the lunch period to assist in the distribution of food to our students.

Please note, when selecting the school it will not separate the Archway and Prep (except Scottsdale) The system will approve you for both schools. You can choose multiple campuses if that applies to your family. If you have any questions or concerns you can reach out to John Lund, Great Hearts Safety Manager at [jlund@greatheartsaz.org](mailto:jlund@greatheartsaz.org).

We look forward to seeing you on campus next year!
