

Safe Return to In-Person Instruction and Continuity of Services Plan (ARP Act)

Entity ID	CTDS	LEA NAME
07-82-48-000	92314	Archway Classical Academy Cicero

How the LEA will maintain the health and safety of students, educators, and other staff and the extent to which it has adopted policies, and a description of any such policies, on each of the following safety recommendations established by the Centers for Disease Control and Prevention (CDC)

CDC Safety Recommendations	Has the LEA Adopted a Policy? (Y/N)	Describe LEA Policy:
Universal and correct wearing of masks	Y	Face Coverings must be worn by all Staff and Students and Visitors to the School per Tribal Guidelines while Indoors. Medical Exemptions are permitted with approval and within CDC Guidelines.
Modifying facilities to allow for physical distancing (e.g., use of cohorts/podding)	Y	Extraneous furniture has been removed from classrooms and desks have been spread out as much as possible to prevent direct contact between students.
Handwashing and respiratory etiquette	Y	Handwashing etiquette instruction completed at the beginning of school year. Handwashing signs posted in restrooms instructing students and staff on proper handwashing technique. Antibacterial soap in all bathrooms and hand sanitizer is made available to all students and staff. Proper respiratory etiquette (covering coughs and sneezes) is part of curriculum. Students are required to wash hands before eating.
Cleaning and maintaining healthy facilities, including improving ventilation	Y	Cleaning is conducted with electrostatic sprayer all classrooms 3x weekly; Oxifer spray available to classrooms if needed; Day porter cleans all frequently used surfaces consistently throughout day with antibacterial wipes. Increased airflow and use of MERC-13 filters.
Contact tracing in combination with isolation and quarantine, in collaboration with the State, local, territorial, or Tribal health departments	Y	CDC Isolation and Quarantine procedures were administered to all parents and faculty and are posted on the school's website including a detailed guide on symptomology, proper procedures and how to determine and report close contacts. All Close Contacts of positive cases are contacted, recorded and given Maricopa County of Health guidance on quarantine procedures. All Close Contacts are reported to appropriate governmental authorities.
Diagnostic and screening testing	Y	Staff is provided with a list of providers for diagnostic screening and testing. Cost of testing is covered by health coverage.
Efforts to provide vaccinations to school communities	N	

Safe Return to In-Person Instruction and Continuity of Services Plan (ARP Act)

Appropriate accommodations for children with disabilities with respect to health and safety policies	Y	<p>All efforts will be made to accommodate children with disabilities in regards to implemented health and safety policies in the classroom. Should the students IEP or physical or emotional well-being require it, online Academy offered in accordance with State guidelines. Special education and related services will be provided in accordance with students' IEPs, as is possible and feasible, utilizing alternative means if necessary. These methods can include:</p> <ul style="list-style-type: none"> · Zoom for groups · Zoom for individuals · Google Classroom · Phone call · Online activities that can be done at any time <p>As well as a combination of these methods. Considerations will be made as to what method of instruction and accommodations are necessary and will provide disabled students with access to a FAPE.</p>
Coordination with State and local health officials	Y	Cases and all Close Contacts are reported to the County Health Department.

How the LEA will ensure **continuity of services**, including but not limited to services to address **students' academic needs and students' and staff social, emotional, mental health, and other needs**, which may include **student health and food services**

How the LEA will Ensure Continuity of Services?

Regular health and safety screenings are in place as well as additional staff and observation added to help facilitate return to in person services and learning.

Students' Needs:

Academic Needs	School-wide implementation of 95% Group Reading Intervention Program to aid in reading abilities. Addition of Moby Max Math Fact Fluency, Rocket Math and Sprint for Math Intervention and Math fluency across the board. Addition of reading fluency groups.
Social, Emotional, and Mental Health Needs	A screener questionnaire will be sent out by the school counselor to assess students emotional needs. The school counselor will use data from the screener to make mini lessons targeted at specific needs. Students with high emotional needs will be referred to the school counselor, parents will be contacted and administration will work with the teacher to support the students with a behavior plan, mini social lessons and extra personal attention in the classroom.
Other Needs (which may include student health and food services)	School will follow CDC's "No Share" Food Policy; All Faculty trained in identifying symptoms of illness specific to COVID-19 and instructed to take immediate action when students appear to be exhibiting symptoms.
Staff Needs:	
Social, Emotional, and Mental Health Needs	Weekly health check during team meetings recorded and turned in to AHM each Monday in the form of colors (red, yellow, green) and notes. Using health check data, admin will determine when stress is

	high across the faculty or concentrated in a grade level. This determination will inform changes that need to be made or extra support that is needed. If a person is consistently red, the headmaster will check in with the individual to discuss support.
Other Needs	Administration supplies drinks and popsicles sporadically to uplift crew, along with other spontaneous "treat weeks" throughout the year.

The LEA must **regularly, but no less frequently than every six months** (taking into consideration the timing of significant changes to CDC guidance on reopening schools), **review and, as appropriate, revise its plan** for the safe return to in-person instruction and continuity of services **through September 30, 2023**

Date of Revision	October 15, 2021
Public Input	
Describe the process used to seek public input, and how that input was taken into account in the revision of the plan:	Community Stakeholder meeting held on August 17, 2021 between Parents, Community Leaders, Faculty and Administration regarding feedback on Great Hearts policies and needs that have arisen due to COVID both academic and social-emotional. Parent Survey sent out at the beginning of the School Year and parent feedback was compiled and implemented district-wide.

U.S. Department of Education Interim Final Rule (IFR)

(1) LEA Plan for Safe Return to In-Person Instruction and Continuity of Services

- (a) An LEA must describe in its plan under section 2001(i)(1) of the ARP Act for the safe return to in-person instruction and continuity of services—
 - (i) how it will maintain the health and safety of students, educators, and other staff and the extent to which it has adopted policies, and a description of any such policies, on each of the following safety recommendations established by the CDC:
 - (A) Universal and correct wearing of masks.
 - (B) Modifying facilities to allow for physical distancing (*e.g.*, use of cohorts/podding)
 - (C) Handwashing and respiratory etiquette.
 - (D) Cleaning and maintaining healthy facilities, including improving ventilation.
 - (E) Contact tracing in combination with isolation and quarantine, in collaboration with the State, local, territorial, or Tribal health departments.
 - (F) Diagnostic and screening testing.
 - (G) Efforts to provide vaccinations to school communities.
 - (H) Appropriate accommodations for children with disabilities with respect to health and safety policies.
 - (I) Coordination with State and local health officials.
 - (ii) how it will ensure continuity of services, including but not limited to services to address students' academic needs and students' and staff social, emotional, mental health, and other needs, which may include student health and food services.
 - (b)(i) During the period of the ARP ESSER award established in section Start Printed Page 212022001(a) of the ARP Act, an LEA must regularly, but no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools), review and, as appropriate, revise its plan for the safe return to in-person instruction and continuity of services.
 - (ii) In determining whether revisions are necessary, and in making any revisions, the LEA must seek public input and take such input into account

Safe Return to In-Person Instruction and Continuity of Services Plan (ARP Act)

- (iii) If at the time the LEA revises its plan the CDC has updated its guidance on reopening schools, the revised plan must address the extent to which the LEA has adopted policies, and describe any such policies, for each of the updated safety recommendations.
- (c) If an LEA developed a plan prior to enactment of the ARP Act that meets the statutory requirements of section 2001(i)(1) and (2) of the ARP Act but does not address all the requirements in paragraph (a), the LEA must, pursuant to paragraph (b), revise and post its plan no later than six months after receiving its ARP ESSER funds to meet the requirements in paragraph (a).
- (d) An LEA's plan under section 2001(i)(1) of the ARP Act for the safe return to in-person instruction and continuity of services must be—
 - (i) In an understandable and uniform format;
 - (ii) To the extent practicable, written in a language that parents can understand or, if it is not practicable to provide written translations to a parent with limited English proficiency, be orally translated for such parent; and
 - (iii) Upon request by a parent who is an individual with a disability as defined by the ADA, provided in an alternative format accessible to that parent
